## North Carolina Community Garden Partners

### Who is NCCGP?

NCCGP is a volunteer-based grassroots organization non-profit organization dedicated to increasing the quantity, quality and sustainability of community gardens across North Carolina.

#### OUR MISSION

- ◆ Expand community gardening throughout the state.
- ◆ Increase community food security and access to healthy foods.
- ◆ Strengthen community involvement and build community capacity for gardening and self-governance.

#### PUT YOUR GARDEN ON THE MAP

NCCGP keeps an updated online map of community gardens in North Carolina as a public service. Check it out today to find a garden near you or list your own garden.
